PROFILE

Hello There, my name is Abiyu Misganaw i'm a Back-End Developer mainly focused on creating scalable, fast and user-friendly applications using django. I'm Committed to delivering high-quality solutions to every project i make.

WORK EXPERIENCE

supercomp 2021 - 2023
solopreneur

- Supercomp was my own startup, it was founded to help small businesses in my town by making them applications based on their business.
- even though supercomp did not go as far as i wanted it to go, it was a good experience for me.

Awlala Store 2023- 2025
Affiliate Marketer

- advertise products to attract customers in to the store.
- for every sell i made i got paid 10% of the price of each product i sold.

EDUCATION

Bachelor Degree 2024 - 2025
Bahirdar University
GPA: 3.5 / 4.0
